ALERT! Regarding Montana de Oro campout June 17-20.

I am thrilled to report that we have 13 participants paid and rarin' to go to this special horse camp and ride.

However, I realized that there are only 10 large pipe stalls and 6 small ones in the Oak camp. The park assumes that two horses can be put together in the large pipe stalls, hence their listing of 25 horses at the site. I do not think this is safe at all.

So, I am going to limit the ride to 16 horses.

That means there are only spaces left for 3 more horses... If you are still considering going on this event, please send a check for \$50 to Marilyn Russell (made out to her), as soon as possible. If the 16 stalls are filled, Marilyn will make out a waiting list.

The following members have made the commitment and payment to go, and the first 10 will get the large stalls!

1. Marilyn Russell
2. Penny Marrs
3. Roberta Klemm
4. Jan Carlisle
5. Jean Schreiber
6. Penny Scribner
7. JoAnn Swift
8. Jan Viera
9. Bobbie Meyer
10. Andi Schreibman
  
11. Sharon Sterud
12. Brynn Bollinger
13. Lisa Walker

We are going to have a grand time and will make final plans for potluck and other details at the June meeting.
