

# Equine Nutrition and Condition

Tri-Valley Trailblazers Presents

## Dr. Clair Thunes

Saturday, September 23, 2017

**(9:30 doors open) 10:00 am–12:00 pm** Assessing body weight and condition & understanding forage

**LUNCH (provided)**

**1:00 pm – 3:00 pm** Selecting Feeds and Supplements

Livermore Community Center, Sycamore Room  
4444 East Avenue, Livermore, CA

The morning session will focus on how to assess your horse's weight and condition followed by forage fundamentals. The afternoon session will target how to select the right feeds and supplements to compliment your forage and insure your horse's needs are met. Dr. Thunes provides information in easy to understand terms you can immediately use to help you make informed decisions about your horse's health and nutrition. TVT is pleased to bring this gifted and sought after expert to equestrians for a day of informative and practical information.

**Advance tickets \$25 available until Friday, September 22. Tickets are \$30 day of the seminar. To purchase your ticket, contact Cleo Home at [cleohome@yahoo.com](mailto:cleohome@yahoo.com). For questions, call 925-243-1317. Make checks out to TVT and send to 387 Lloyd St., Livermore 94550. Morning refreshments and deli lunch provided.**
